AFRICAN CLIMATE LEGISLATION INITIATIVE

The Initiative is a joint initiative of the Pan African Parliament and the Pan African Climate Justice Alliance (PACJA), bringing together parliamentarians from East African Legislative Assembly (EALA), inter-parliamentarians committee of west Africa Monetary and Economic Union (IPC-WAMEU), Ecowas, among others, to share perspectives, exchange experiences, ideas and latest updates on international climate change dialogue and response processes.

Vision

Implementation of climate actions which are not beholden by the whims of individuals or organisations but sound legal frameworks.

Mission

To provide a platform for engagement of parliamentarians, civil society and other Actors so as to effectively participate in the global climate governance processes

Objectives

1) Provide capacity building, networking and coordination of parliamentarians in climate change dialogue and response processes, both in Africa and globally

2) To increase the profile of climate change in legislative process, and to identify, raise awareness of interventions on climate change and their impacts to economies in Africa.

3) To provide parliamentary back-up and scrutiny of the climate change actions and policies as well as to innovative response measures.

4) To keep under review; policies, laws, financing and related programs aimed at contributing to the implementation of provisions of the Paris Agreement.
